

Declaration of Conformity

ARGOS-2

NSBCLx

We, Seascope Subsea BV, duly and legally represented by the undersigned, hereby declare that the following products are compliant and have been tested by us against the listed standards and found in conformity with the directives of the European Union. Based on the above, Seascope Subsea BV, is entitled to mark the control system "ARGOS-2, model: NSBCLx" with the CE marking demonstrating the conformity with the directives as shown below:

Product:	ARGOS-2
Model:	NSBCLx
Manufacturer:	Seascope Subsea BV De Hoogjens 22 4254 XW Sleenwijk The Netherlands T. +31-183-307900 E. info@SeascopeSubsea.com
RoHS Standards:	2011/65/EU

The tests were carried out on the submitted type-samples of a product in conformity with the specification of the respective standards. The technical construction dossier is available upon request at Seascope Subsea BV, the Netherlands.
